- 05 **Company Overview**

Shenzhen Wochuan Electronic Co., Ltd., established in **2012**, is a professional manufacturer specializing in the beauty device and personal care appliance industry. As a trusted **OEM** and **ODM** partner, Wochuan is supported by an exceptional R&D team committed to delivering innovative, high-quality products and outstanding services to clients worldwide.

Located in Shenzhen, Wochuan spans over **30,000m²** and is equipped with a comprehensive product development and quality management system. Our facilities include a mold workshop, an injection workshop with more than **60** injection machines, **8** production lines, an aging workshop, **3** packing lines, and a dedicated team of over **300** skilled workers and **10+** experienced engineers which enables us to efficiently handle peak sales periods while meeting large-scale production demands with precision and reliability.

Wochuan's factory is certified with **ISO** and **BSCI**, demonstrating our adherence to the highest quality. All products undergo rigorous testing and comply with international certification requirements, including **CE, ROHS, LVD, FCC, CCC, MSDS, UL, PSE, CB, FDA 510K**, along with product test reports and patent certifications. These certifications ensure full compliance with global safety and quality standards to enter into international markets.

At Wochuan, delivering excellence to every customer is at the core of our values. Our integrity, strength, and commitment to product quality have earned us widespread industry recognition and trust. We are confident in our ability to be your most reliable strategic partner in China!

W-101Z Foot Massage Machine

- ◇ Activated cell, boost metabolism, promote blood circulation and qi-blood circulation etc.
- ◇ Equipped with weight loss belt and 6 electrode patches
- ◇ Convenient acupoints for each part of the body, wireless remote control use adjustment
- ◇ Built-in infrared therapy function, EMS massage

Power supply	Plug in	Massage mode	25 modes
Gear	99 gears	Product material	ABS
Rated current	400 MA	Out frequency	1-50HZ
Timer function	5-99 mins	Product size	44*42*12mm
Product color	Gold, silver	Carton size	59*48*51cm(4pcs)
Product accessories	Foot massage machine *1, adapter *1, remote control *1, belt *1, large patch *1 pair, small patch *3 pairs, physiotherapy wiring *2		

W-716A Steam Eye Massage Device

- ◇ 3 smart massage acupuncture point modes and 16 massage heads, simulated real massage techniques
- ◇ Visible steam moisturize and 45°C heat compress relieve dry eyes
- ◇ Built-in music playback function, operation is accompanied by voice prompt function
- ◇ Wochuan design team original, patented appearance products

Rated power	10W	Temperature gear	3 gear
Massage mode	3 modes	Fog gear	3 gear
Battery capacity	2000mAh	Carton size	47*43*33cm(14pcs)
Water tank capacity	12ml	Product color	White/ pink
Product accessories	Main machine *1, manual *1, operation guide *1, water bottle *1, data cable *1

W-103Z Intelligent Sensor Posture Corrector

- ◇ Invisible wear Back correction
- ◇ Elastic adjustable shoulder strap, comfortable and not tight
- ◇ Bending more than 25° activates vibration alert function
- ◇ ABS+PC+high strength elastic nylon belt
- ◇ Light reminder: red light when charging, green light when fully charged, blue light when working

Battery capacity	150mAh	Gross weight	120g
Input voltage	5V	Product size	96*106.7mm
Rated power	2.5W	Package size	100*108*35mm
Product color	Black	Carton size	48*44*34cm(150pcs)
Net weight	98g	G.W./carton	19kg
Product accessories	device *1, adjustable strap *1, data cable *1, manual *1, color box *1

DS-A25 Electric cupping machine

- ◇ 3 size cups suitable for different parts of the body
- ◇ One-touch pressure relief
- ◇ Powerful red light therapy (670nm)
- ◇ PI Conduction Heating Technology, 12 level temperature
- ◇ Remote control more helpful to use alone
- ◇ Widely use and easily to carry

Power supply	USB charge	Battery capacity	1800mAh
Product material	ABS	Suction power	12 gears
Display	LCD screen	Red light heating	12 gears
Timer function	20 mins	Suction strength	-60-0 kpa
Power	5W	Carton size	54*50.5*36.5cm(40pcs)
Product color	White, black, blue, red	Product accessories	Host*1, remote control*1, usb cable*1, tank *3, manual*1

Technology: Cupping+Red Light Therapy+Scraping+Heating+Timer

Acupuncture Pen Series

W-912SR

913A

Technology: Micro current pulses

W-912Z Electric Acupuncture Pen

- ◇ 3 or 5 replacement headers are optional
- ◇ Micro current pulses, needle-free physiotherapy
- ◇ Unclogs meridians and promotes blood circulation
- ◇ Automatic pulse search, physiotherapy health
- ◇ 9-gear pulse adjustment

Power supply	1*AA battery	Gear	9 gears
Product material	ABS+electroplate	Pulse frequency	6-7HZ
Output voltage	DC1.5V	Rated voltage	3.7V300mAh+ /50mAh
Massage head	3 / 5	Product color	Silver, gold
Net weight	62g	Carton size	50*40*36cm (100pcs)
Product accessories	Meridian pen*1, massage head*5 or 3, manual*1		

W-912SR Electric Acupuncture Pen

- ◇ Micro current pulses, needle-free physiotherapy
- ◇ Unclogs meridians and promotes blood circulation
- ◇ Automatic pulse search, physiotherapy health
- ◇ 9-gear pulse adjustment
- ◇ Wochuan design team original, patented appearance products

Power supply	USB Charging 350mAh	Gear	9 gears
Product material	ABS	Rated power	2W
Product size	179*26mm	Rated power	3.7V
Massage head	5	Product color	White
Net weight	80g	Carton size	47*44*35cm (104pcs)
Product accessories	Meridian pen*1, massage head*5, manual*1

Scientific and Professional Production Workshop

The production workshop is fully air-conditioned, Clean workshop. Equipped with specialized manufacturing equipment according to different products, with a high degree of automation, to meet the customer's customized needs.

Complete Production Equipment

· Laser engraving ·

· Transfer printing ·

· Injection moulding ·

· Ultrasonic drilling ·

· Packing machine ·

· Heat shrink film ·

· Grading systems ·

· Aging test ·

Complete Production Equipment

Laboratories are well-equipped and technically specialized

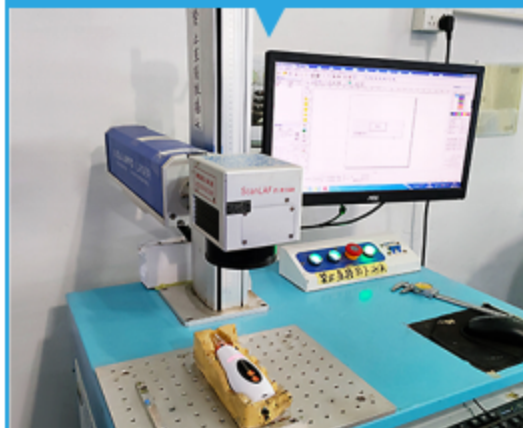

Test Project:

- Simulated transport vibration test
- Adapter power AC power supply test
- High lens depth video microscope test
- USB cable, DC cable, charger, etc. life test
- Adapter and related products of the high-voltage test
- Plastic button, silicone button and other button life test
- Multi-way temperature test for thermocouple, RTD, bimetal, etc.
- Salt spray test for TP, ABS materials, ABS finished products, screws, etc.
- Constant temperature and humidity test for TP, ABS materials, ABS finished products, etc.
- Alcohol and abrasion resistance test for ABS materials, electroplated screen printed products, etc.
- Pressure-sensitive adhesive tapes, self-adhesive tapes, plasters, hot-soluble adhesives, etc. retention test
